5000 mcq civil engineering for upsc gate psus exams the first edition of civil engineering contains nearly 5000 mcqs which focuses in depth understanding of subjects at basic and advanced level which has been segregated topic wise to disseminate all kind of exposure to students in terms of quick learning and deep preparation the topic wise segregation has been done to align with contemporary competitive examination pattern attempt has been made to bring out all kind of probable competitive questions for the aspirants preparing for gate

psus and other exams the content of this book ensures threshold level of learning and wide range of practice questions which is very much essential to boost the exam time confidence level and ultimately to succeed in all prestigious engineer s examinations it has been ensured to have broad coverage of subjects at chapter level while preparing this book utmost care has been taken to cover all the chapters and variety of concepts which may be asked in the exams the solutions and answers provided are upto the closest possible accuracy the full efforts have been made by our team to provide error free solutions and explanations dear civil engineering students we provide basic civil engineering multiple choice questions and answers with explanation civil objective type questions mcqs download here these are very important helpful for campus placement test semester exams job interviews and competitive exams like gate ies and psu net set jrf upsc and diploma especially we are prepare for the civil engineering freshers and experienced candidates these model questions are asked in the online technical test quiz and interview of many companies these are also very important for your lab viva in university exams like rtu jntu andhra ou anna university pune vtu uptu cusat etc 5000 mcq civil engineering for upsc gate psus exams

this book is prepared by keeping the demands of recent pattern of various competitive exams in major view it presents the objective mcq questions are chosen on the basis of the requirements of all important exams the primary aim of this book is to provide difference types of fully solved objectives mcq question for competitive exams a secondary aim is to introduce the aspirants to provide 50 different practice sets this book contains 16 chapters the first chapter is english literature grammar second is mathematics third is physics forth is chemistry fifth is biology sixth is history seventh is geography eighth is indian polity constitution ninth is indian economy tenth is arts cultures eleventh is games twelfth is national international awards thirteenth is books authors fourteenth is countries presidents fifteenth is 200 gk questions answers and the last chapter is 50 sets general objective questions answers

this book offers you a short cut for the marketing exams it contains frequently asked 580 questions out of a question bank of over 1600 questions i have reviewed whole syllabuses of many marketing courses in diploma to undergraduate level and have included questions on fundamental concepts and terms that are tested in a marketing exam i have purposely avoided questions that are easy and not tested frequently to bring down the load on students to study on marketing mcqs hence this book will take away a big burden on students in reading the whole syllabus sifting selecting important questions from big question banks and memorizing all of them in addition to helping

students in answering mcqs this book provides a revision of the whole syllabus offered in a marketing course therefore the knowledge gathered by answering mcqs in this book will surely help the student to write short and essay type answers as well with confidence multiple choice questions mcqs are used as an objective assessment in almost all the mid term and final exams of marketing in universities and professional institutions all over the world the mcqs in marketing are set from the whole syllabus mcqs generally test the knowledge of fundamental concepts terms and the ability of students in application of such knowledge in interpreting practical situations mcqs are tricky and cleverly designed to distract students to mark incorrect answers the time given to answer mcqs are limited and students should have a thorough knowledge of the subject to select the correct answer within the restricted time the best way to prepare yourself for mcqs is to know them in advance the challenge for students is they are required to study many subjects in addition to marketing in one semester therefore not every student has the time to go through the whole syllabus and remember all the concepts this book is written with the sole aim of helping students to get exams through and you will not regret the investment you make on this book
